

Survivor-Centred Visual Narratives

Handout: Visual Narrative Planning Practice Worksheet

Instructions

In groups of four, you will read the Example Testimony and collaboratively plan a 10-panel comic. Your plan must incorporate at least three comic devices used intentionally to enhance meaning. While you don't need to complete the device section for every panel, be sure to fill in at least three. Ensure that your plan adheres to the Guidelines for the Respectful Retelling of Survivor Testimonies.
