

But I Live Educational Resources

Handout: Specialist Group 3 – Analysis of Chronology

Ensure everyone in your group takes their own notes.

Your group will create a timeline of Emmie’s childhood, and the greater political context surrounding it, based on “But I Live.” Use a different coloured marker for each type of event. Your timeline should include:

- dates of all the events of Emmie’s childhood
- important dates of Liberation, including when the Universal Declaration of Human Rights was adopted by the UN General Assembly
- important dates retracing the history of the Holocaust—use this website to help you:
