But I Live Educational Resources

Handout: Primary Sources in Graphic Narratives

Using the available graphic narratives, choose two and fill in the following graphic organizer. Pages are marked indicating where you can find primary sources.

Think about: How do primary sources increase the accuracy of a narrative? How does the style of the artist influence how the source is interpreted?

Name of graphic narrative	Graphic Narrative 1:	Graphic Narrative 2:
Describe the primary source used in the graphic narrative (a map, a newspaper clipping, an official document, a picture)		
How is the primary source incorporated into the story? (drawn in, added as a picture, discussed in the narrative)		

But I Live Educational Resources

How does the primary source enhance the story? Is it used effectively? Explain your answer.		
Compare the two graphic narratives. **What are the similarities and differences to the questions above?**	**Similarities**	**Differences**
